Chairman's Message

- Every big achievement starts with a small step. ARABCO CONSTRUCTIONS began with a small step back in 1993 in Dubai, UAE, which was then a small contracting company. Since then, with our hard work, determination, building of trust and goodwill, our company grew to become one of the reputed companies in the construction industry in Dubai.
- We've as well diversified our company's portfolio and expanded into Cairo where we've found great opportunities for investment. We've established our first Real estate development & construction company branch in 2016.
- We're very pleased that our journey together with Arabco team was always been guided by principles of hard work, Integrity, high moral values, and building of goodwill.

ENG. Mohammed Ouf
Chairman, Arabco Dubai

GM

Message

- At Arabco constructions, we take immense pride in shaping Dubai's skyline for over 30 years. Since our founding, we have been committed to delivering excellence in construction, ensuring quality, innovation, and sustainability in every project we undertake.
- Our journey has been built on strong values, dedicated craftsmanship, and a vision to create structures that stand the test of time. From residential and commercial developments to large-scale infrastructure projects, we continue to push the boundaries of construction while maintaining the highest standards of safety and efficiency.
- As we move forward, we remain dedicated to building a better future—one project at a time. Thank you to our valued clients, partners, and team members who have been part of this incredible journey.

ENG. Reda Abdulhamid
